

GUIDANCE AND INFORMATION

Nibras International School Policy

Safer Recruitment

A. PURPOSE

NIS considers the safety of its students of paramount importance and we make a commitment to protecting the children with/for whom we work.

To this end, and in addition to a Child Protection and Safeguarding Policy in our schools, NIS recognises the need to ensure, where possible, the safety of our students when we employ, and continue to employ, persons responsible for the delivery of teaching and learning, care of students in our schools, or those persons who interact with our students on behalf of the Company.

B. PROCESS

The NIS safer recruitment policy is an essential element in creating and maintaining a safe and supportive environment for all students, staff and others within the community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

1. attracting the best possible candidates/volunteers to vacancies
2. deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
3. identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people

NIS is committed to using procedures that deal effectively with those adults who fail to comply with NIS's safeguarding and child protection procedures and practices.

Any abuse against a member of staff will be dealt with in accordance with local guidance or law and will be reported to the relevant local authorities. Will be followed if any member of school staff, volunteer or contractor has:

1. behaved in a way that has harmed a child, or may have harmed a child
2. possibly committed a criminal offence against or related to a child
3. behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children

As an employer we are under a duty to refer to the local authorities, any member of staff who is currently living and working or has previously lived and worked in the UAE, following disciplinary investigation, is dismissed or resigns because of misconduct towards a pupil and we may refer any concerns we have before the completion of this process.
