

NIBRAS INTERNATIONAL SCHOOL
an American Education

Elementary Newsletter – Issue 1 September 28, 2017

Dear Parents,

A very warm welcome back to everyone in the Nibras International School 'family'. As the new Head of Elementary, I have enjoyed meeting our students, staff and parents in the first few days of the term.

The vision of Nibras International School is to create life-long learners, responsible global citizens, and competent world leaders by providing a 21st century American education with the NIS core values being central to what we do. I would like everyone to work in partnership to help us move forward to enable our wonderful students to achieve the best possible outcomes in all aspects. We have so many wonderful aspects in our school but we also acknowledge that there is plenty of room for improvement which we are determined to do this year. We aim to send all parents a weekly learning journey per grade and bi-monthly newsletter to help share information.

I wish everyone a fantastic year ahead!

Rinkle Jadeja

Head of Elementary

Upcoming Parents Engagement Opportunities:

Date	Event	Time
5th October 2017- Thursday	Tea and Talk- An opportunity to have an informal chat with Head of Elementary about the school life and questions and suggestion you may have to work in partnership with the school.	8.15 to 9.15am.
