Be in the know
MS and HS Connection

Tuesday, January 24, 2017

Are you ready for term two?? It is going to be even better as we work to improve and propel Nibras to new heights. I'd like to say welcome to some staff members, so long to some staff members and congratulations to many of our students in this addition of the middle / high newsletter.

Principal's Pick

I am excited to announce the highest overall grade point averages for each grade in the high school and middle school:

Karem Fakhouri – grade 9;

Hrishaesh Aiyer – grade 10;

Ayat Derhem – grade 11;

and Joanna Kowatli – grade 12!!

Congratulations on your superior level of dedication to academic excellence and the pursuit of knowledge because, as we all know – knowledge is power and failure is not an option!!!

SMART SMART SMART SMART SMART SMART SMART SMART

What's new?

The school has recently been painted and new lockers have been installed. We are working to improve Nibras in many ways. The school was painted and new lockers installed during the holidays. Please support us by reiterating our expectation that students will take pride in the new environment.

The corner area at the start of hall one with soft seating is reserved for seniors. They may be there during break.

Middle school /High School Sports day

Engineering Week Winners

At its heart, engineering is about using science to find creative practical solutions. It's a noble profession. Congratulations to our young team of engineers! You did a great job. Keep it up!

Middle and High School Awards Ceremony

Congratulations to the students who showed an outstanding performance in term one!

A middle school award ceremony was done last week, where all students who got good grades in the core subjects were given certificates and gifts.

Also, all students that have a good conduct and perfect attendance on the system were given certificates for their good behavior.

There is no elevator to success; you have to take the stairs. Keep going!

Upcoming events:

International Day: January 26th at 1:00-5:00
